

**Be
Creative**

Draw your lockdown life picture!

A life picture is an opportunity to creatively capture a moment in time. Create your very own 'Lockdown Life Picture' that shows what your life is currently like. Try and make each jigsaw piece show a different part of 'life in lockdown'.

You can draw pictures, write things down and be as creative as you want to be.

Watch the video first then use the template to create your very own 'Lockdown' Life Picture.
