# The seaside in a jar!

Make your own seaside! This could be a favourite place you have visited, a made-up seaside resort or even something that you have read in a book.

You will need:

- Jam jar with a lid (a wider necked one is best)
- A handful of sand
- Water
- A selection of small shells or small stones
- Blue food colouring
- Photo of a seaside resort
- Sticky tape
- Anything else to make you jar look like the seaside

How to make you scene

1. Add a layer of sand to the bottom of a clean, dry jam jar
2. Attach your seaside photo to the back of your jar with tape.  
Make sure you can see it through your jam jar
3. Add your seaside items to the sand
4. Colour you water with a few drops of colouring
5. Pour the water in slowly
6. Tighten the lid
