

There are 32 teams playing in the World Cup and 5 of them are from Africa. Each team will bring 23 players and 18 staff with them.

How many players and staff will there be altogether for the teams from Africa?

This is how many people have bought tickets for the England v Wales match:

6237 England fans

3686 Wales fans

How many is that altogether?

Write a creative and complex sentence using at least two of these nouns and two verbs:

Don't forget to punctuate!

Nouns	Verbs
Crowd	Attack
Penalty	Defend
Free Kick	Pass
Corner	Shoot
Throw-In	Tackle
Referee	Score
VAR	Run
Goal	Dribble
Net	Save
Ball	Jump
	Foul
	Cheer

Use the ticket price chart to calculate how much Motty will spend watching England if he goes to all 3 Group games and then the Final.

Match	Average Ticket Price
Group matches	£65
Round of 16	£95
Quarter-Final	£130
Semi-Final	£285
Final	£500

Punctuate these sentences:

- (i) qatar is in the middle east
- (ii) the countries surrounding qatar are
bahrain saudi arabia and the
united arab emirates
- (iii) it is very hot in Qatar with the
temperatures in summer over 36°C

This is the group England are in for the World Cup. In each group every team plays the other 3 teams once.

Group B: England, Iran, USA, Wales

How many matches will be played altogether in this group?

Read this paragraph taken from the Visit Qatar website and answer the question about the information:

Qatar is a land where tradition meets the modern day. Qatar is home to everything from neolithic rock carvings, modern skyscrapers and glittering waters. This is where ancient dwellings are only a stone's throw from world class museums, glistening shopping malls, desert adventures, and international sports venues. Fishing is a passion, and you can enjoy a wide variety of water sports. From the thrill of a desert safari, to relaxing by the beach, Qatar offers a window to the past and a glimpse into the future.

What do you think 'only a stone's throw' means?

There are seven brand-new football stadiums in Qatar and 63 matches to be played before the Final. Imagine each one will host the same number of games.

How many games is that per stadium?

If they were to win the World Cup, England will have played 3 Group matches, and will have also played in the Round of 16, the Quarter-Final, the Semi-Final and the Final.

A football match lasts 90 minutes. How many minutes football would they have played (not including extra time, time added on or penalties)?

La'eeb the mascot's name is an Arabic word that means 'super-skilled player'.

Make a list of the Top Ten skills a top footballer needs to be successful.

This is how far different countries are from Qatar; what is the difference between the team that will travel furthest, and the team that will travel the shortest distance on this list?

Morocco: 5680 km	Poland: 3998 km
England: 5500 km	Ghana: 5851 km
Japan: 8126 km	Croatia: 3891km

Describe this picture of Doha, Qatar in a detailed sentence.

Motty is going to watched England's first Group match with 5 of his friends.

The tickets are £66 each.

How much will they spend on match tickets altogether?

This is the distances some of England's midfielders run on average in a typical game:

Jude Bellingham 9.47 km

Mason Mount 9.82 km

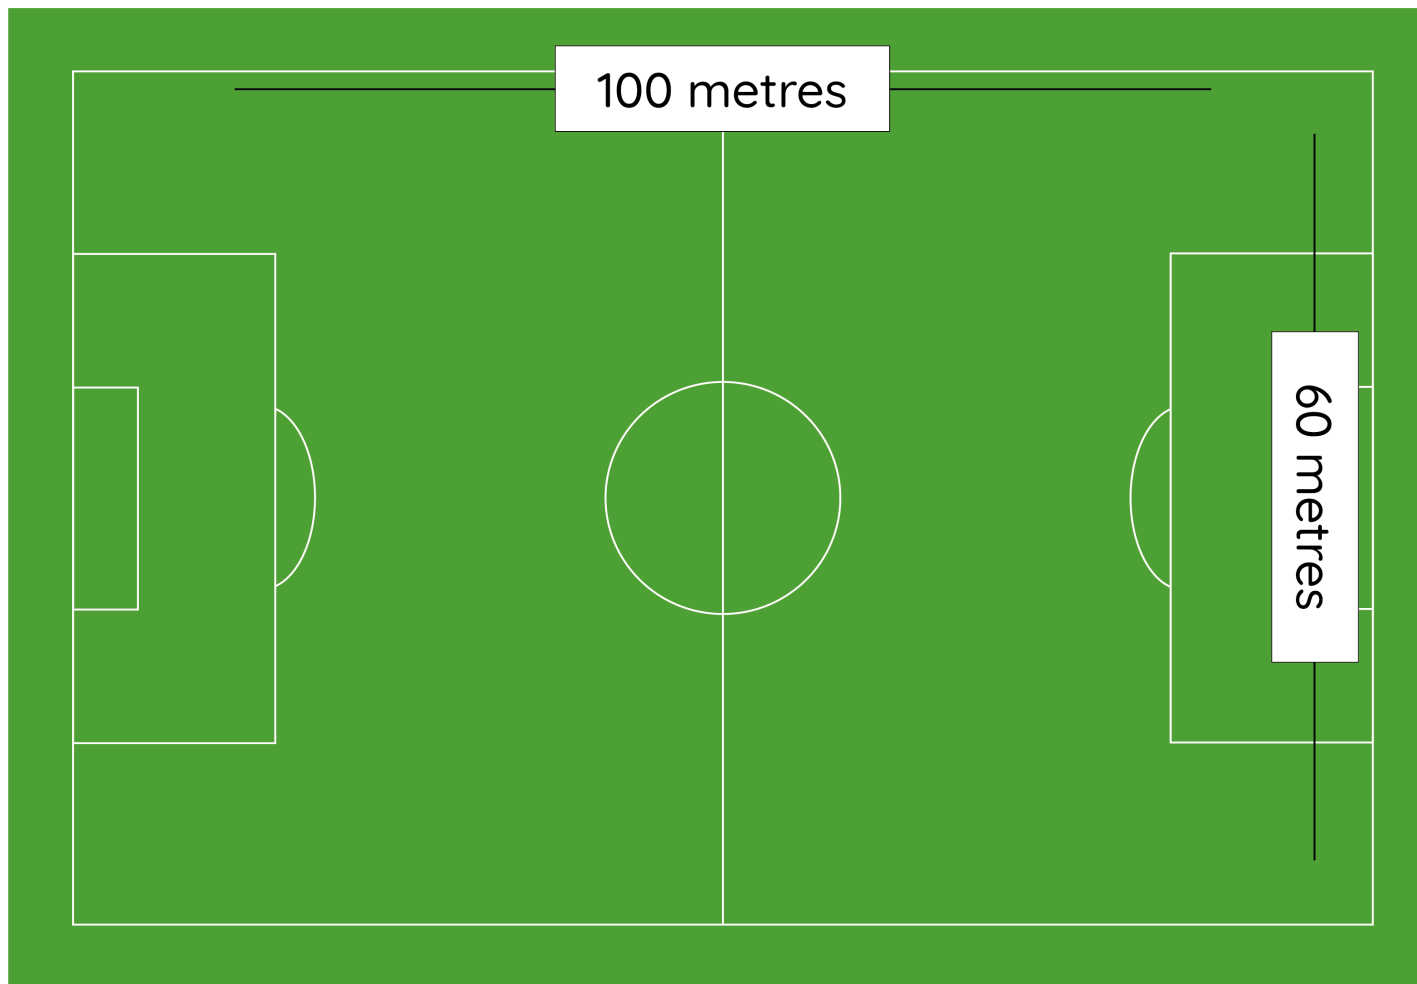

Declan Rice 9.74 km

Put the players in order of the distances they ran, furthest to shortest.

This sentence has got muddled up.
Can you unscramble it?

**being the World Middle
The East Cup is played in..**

Use the plan of the football pitch to calculate the perimeter (m) of the pitch

Unscramble these football kit
words:

thris

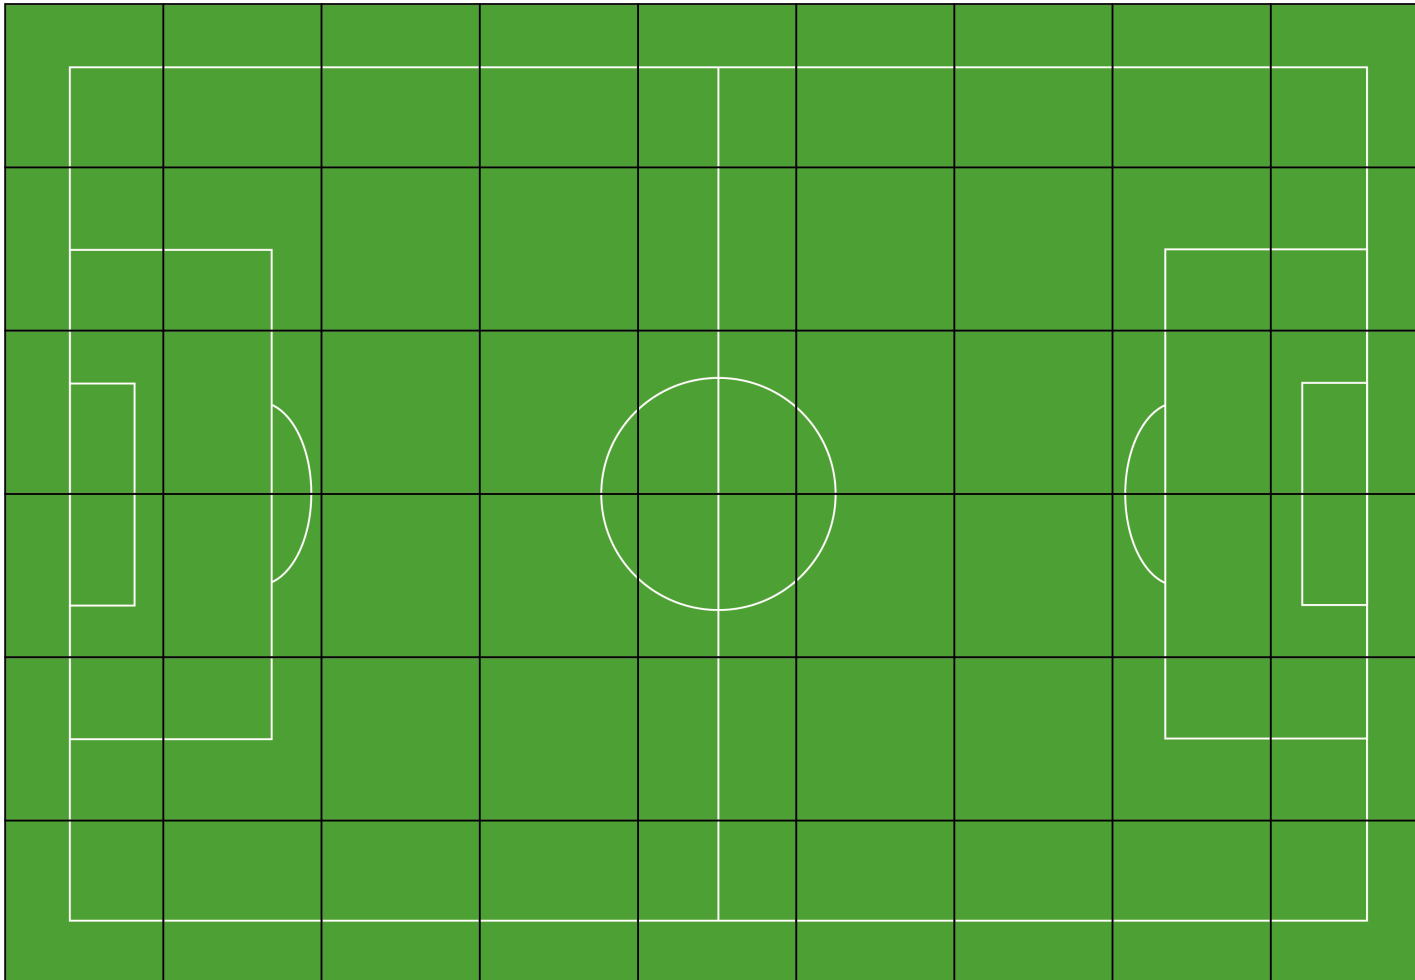

thross

phandiss

What is the difference in between the highest and lowest ticket prices?

Match	Average Ticket Price
Group matches	£66
Round of 16	£97
Quarter-Final	£134
Semi-Final	£288
Final	£755

What is the area of the pitch in squares?

These are some of the different stadiums in Qatar for the World Cup and how far they are from one to another.

How far would Motty and his friend travel if watching a match at Al Khor, then Lusail, then Al Rayyan?
