

There are 32 teams playing in the World Cup, each bringing 23 players, plus each team will also bring a team of 18 'backroom staff' including coaches, medical staff, chefs, nutritionists, and kit staff.

How many players and staff will there be altogether for all the teams?

Stadium	Capacity
Ahmed bin Ali	41,000
Khalifa International	40,500
Lusail	80,000
Education City	40,200

What is the total capacity of all the stadiums?

Write a creative and complex sentence using at least two of these nouns and two verbs:

You may well need clauses, so don't forget to punctuate!

Nouns	Verbs
Winger	Attack
Striker	Defend
Midfielder	Pass
Defender	Shoot
Goalkeeper	Cross
Crowd	Block
Penalty	Tackle
Penalties	Score
Free Kick	Run
Corner	Dribble
Throw-in	Save
Referee	Win
VAR	Head
Goal	Roar
Net	Jump
Ball	Leap
Trophy	Foul

Use the ticket price chart to calculate how much Motty and his friend will spend watching England if both of them went to all 3 Group games and then the Final.

Match	Average Ticket Price
Group matches	£67
Round of 16	£96
Quarter-Final	£134
Semi-Final	£287
Final	£758

Punctuate these sentences:

(i) qatar is located in the middle east on the western edge of the arabian peninsula and on the persian gulf

(ii) the countries surrounding qatar are bahrain, saudi arabia and the united arab emirates

(iii) temperatures in Qatar in november december are around 20-25°C but in summer it averages 36°C

These are the groups and teams for the World Cup.
In each group every team plays the other 3 teams once.

Group A: Qatar, Ecuador, Senegal, Netherlands

Group B: England, Iran, USA, Wales

Group C: Argentina, Saudi Arabia, Mexico, Poland

Group D: France, Australia, Denmark, Tunisia

Group E: Spain, Costa Rica, Germany, Japan

Group F: Belgium, Canada, Morocco, Croatia

Group G: Brazil, Serbia, Switzerland, Cameroon

Group H: Portugal, Ghana, Uruguay, South Korea

How many matches will be played altogether in the group stages?

Read this paragraph taken from the Visit Qatar website and answer the question about the information:

Qatar is a land where tradition meets modernity. Qatar is home to everything from neolithic rock carvings, modern skyscrapers and gentle Dugongs in its glittering waters. This is where ancient dwellings are only a stone's throw from world class museums, glistening shopping malls, desert adventures, and international sports venues. Fishing remains a passion, and enthusiasts can enjoy a plethora of water sports. From kayaking through the mangroves, to the thrill of a desert safari, to relaxing by the beach, Qatar offers a window to the past – and a glimpse into the future, all with the famous Arabian hospitality.

What do you think 'a plethora of water sports' means?

Stadium	Capacity
Ahmed bin Ali	41,000
Khalifa International	40,500
Al Bayt	60,000
Al Janoub	40,000
Lusail	80,000
Education City	40,200

These stadiums will all be about $\frac{3}{4}$ full on average.

What will be the attendance at the Education City stadium?

The winning World Cup team will have played 3 Group matches, and will have also played in the Round of 16, the Quarter-Final, the Semi-Final and the Final. How many minutes football would they have played (not including extra time, time added on or penalties)?

La'eeb the mascot's name is an Arabic word that means 'super-skilled player'.

What skills and attributes does a top footballer need?

This is how far different countries are from Qatar; what is the difference between the team that will travel furthest, and the team that will travel the shortest distance on this list?

England: 5500 km	Ecuador: 13992 km	Morocco: 5680 km	Poland: 3998 km
Brazil: 11968 km	Senegal: 6900 km	Costa Rica: 13759 km	Ghana: 5851 km
Canada: 10702 km	Japan: 8126 km	Australia: 10495 km	Croatia: 3891km

Describe the contrasting environments in this picture of Doha, Qatar in a complex sentence:

Calculate the total amount of money taken from ticket sales for a group game at the Al Janoub stadium (capacity 40,000) if it was full.

Tickets cost £67 each.

This is the distances some of England's midfielders run on average in a typical game:

Jude Bellingham 9.7 km

Mason Mount 10.3 km

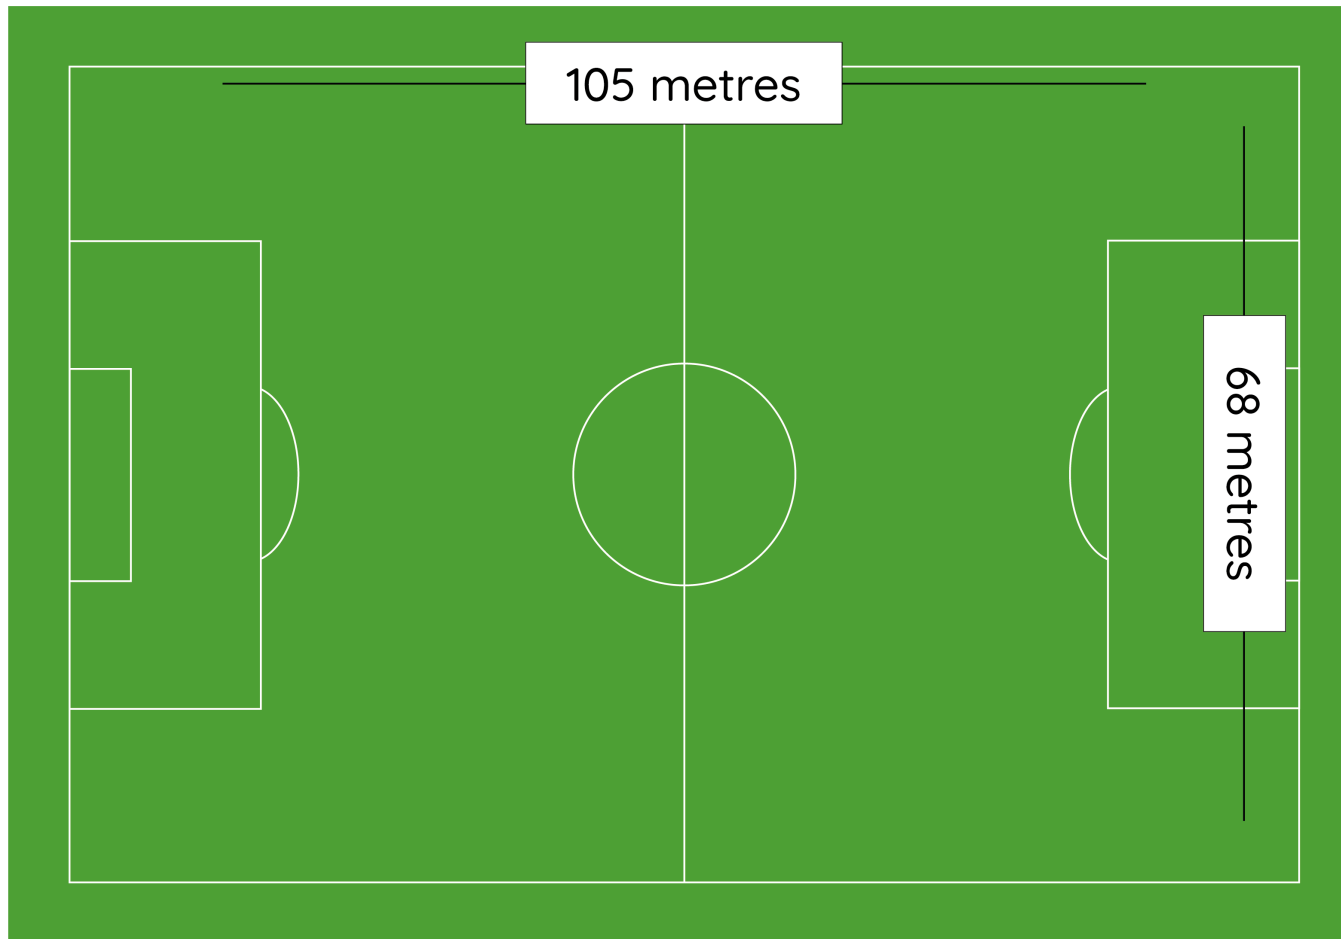

Declan Rice 9.4 km

How far do they run altogether, in metres?

This sentence has got muddled up.
Can you unscramble it?

time is the the World Middle
This East Cup been has played
first in the.

Use the plan of the football pitch to calculate the perimeter (m) of the pitch

Unscramble these words:

leekapergo (a playing position)

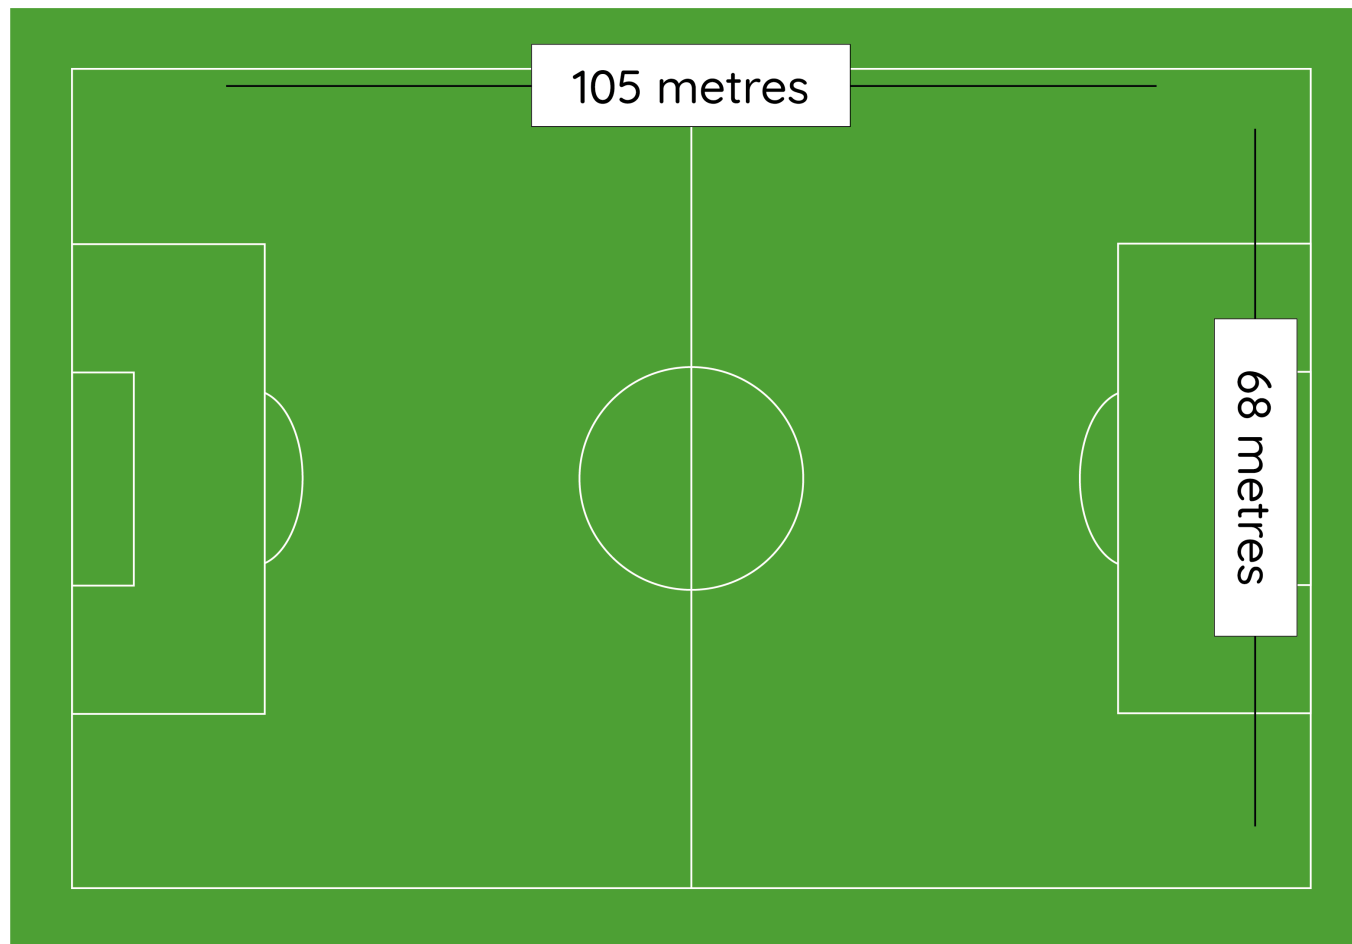

ratqa (a place)

prowclud (an event)

Stadium	Capacity
Ahmed bin Ali	41,000
Khalifa International	40,500
Al Bayt	60,000
Al Janoub	40,000
Lusail	80,000
Education City	40,200

What is the difference in between the largest and smallest stadiums?

Use the plan below to calculate the area (m²) of the pitch

These are some of the different stadiums in Qatar for the World Cup and how far they are from one to another.

How far would Motty and his friend travel if watching a match at Al Khor, then Lusail, then Al Rayyan and finally Qatar Foundation stadium?

Al Khor to Lusail = 34.6 km	Lusail to Al Rayyan = 30.9 km	Al Rayyan to Qatar Foundation = 10.3 km
--------------------------------	----------------------------------	---
