

Stride Active School Partnerships

Communications, Support &
Competitions

September 2024 - August 2025

Welcome to our School Partnerships!

We have simplified our partnerships even more this year, bringing all our extra services to one place. You will find details of the 'communications', 'support' and 'competition' partnerships within this document. We have also created packages to allow you to get more for your money. All are eligible use of the PE Premium and will help you to meet the key indicators.

'Communications' and 'competitions' will continue to be a standard offer to schools, whilst 'support' will enable you to access bespoke support, tailored to the needs of you and your school.

Your investment in Stride Active helps us to be sustainable so we can continue to support you in the future. To be a Stride Active Partnership School, just select which option best meets your needs and we'll take care of the rest!

Meeting
your
needs

Communications

The ideal way to stay, informed and up-to-date whilst supporting our sustainability.

School Partnership – Communications, includes free access to:

- PE Co-ordinator meetings
- Key resources and information
- Access to webinars

If you want to find out about and access the latest information and opportunities to develop PE, health and wellbeing in your school, this is the offer for you. It will allow you to engage with other PE Co-ordinators, alongside the Stride Active team. The cost is just 1% of your PE Premium funding, supporting you to meet the key indicators.

Stay in touch and up-to-date for just £170

Support

School Partnership - Support includes all the benefits of Communications, plus...

- Initial meeting to identify your support needs
- 2 days of in-school support. This can be tailored to suit the needs of your school. We can work flexibly including whole or half days, twilight sessions, or across a series of weeks.
- Discounted places on CPD courses, interventions and activities for teachers and pupils.

Improve & develop

for just £1500

Less than 10% of your PE Premium.

You can use Stride Active staff time to support any aspects of PE, school sport and physical activity:

- Developing a vision for PE and /or wellbeing
- Curriculum mapping and planning
- Observing PE lessons to up-skill the PE Co-ordinator
- Mock 'deep dive' into PE
- Staff CPD on differentiation, assessment and quality lessons, or activity-specific, such as gymnastics
- Young leader training and development
- 1:1 teacher support to develop skills and confidence
- Training for support staff

Competitions

We know that taking part in competitions and festivals can be a really positive experience young people.

It allows them to compete and represent their school, whilst contributing to their social development and enabling them to develop teamwork skills, communication and respect for others.

As the focus of the School Games continues to be placed on targeted groups of pupils, Stride Active competitions will provide opportunities for localised competitions, open to any young person. This will ensure that a greater number of young people can represent their school in sport. The competitions will focus on teamwork, enjoyment and other sporting values, designed to suit the needs of your area.

Our School Partnerships

We had a change in leadership within the school and the membership provided tailored CPD...including, what effective PE leadership might look like, creating a progressive curriculum, school vision and support with making the best of sports premium. Our CPD meetings with Stride Active provided clear support. As the programme was flexible, we could work collaboratively with our partnership school. It also provided access to key contacts in other schools, who could provide further insights into how things might work in practice.

PE Co-ordinator, Bridstow Primary School - 2022-23 Support school

It has been fantastic to have someone at the end of an email that I can ask for advice or run my ideas past. Also organising fantastic events that allow our small school the opportunity to partake in things they may not normally have access to. As a school it has helped us to develop our PE offer, knowledge and understanding. As a coordinator it has developed my confidence and encouraged me to initiate new opportunities for the children and staff.
