# MEETING YOUR NEEDS

Welcome to your 2025-26 School Partnerships offer from Stride Active. We have developed this year's offer to meet the immediate needs of schools and young people. We want to ensure PE Co-ordinators have extensive, tailored support, to maximise positive experience of PE and physical activity for young people. We also want to ensure that every young person has the opportunity to access inter-school sport and competitions, given the increased targeted focus of the School Games.

We are increasingly conscious of the budget pressures faced by schools, so we have kept costs the same for the next academic year, to maximise the support and opportunities you and young people receive.

Your investment in Stride Active helps us to be sustainable so we can continue to support you in the future.
